The Honorable William H. Webster  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Judge Webster:

It is with pleasure that I am sending you a copy of the Report on Drug Control prepared by the Bureau of Justice Assistance within the Office of Justice Programs for Fiscal Year 1987. The Report is the result of the first year's activity of the Anti-Drug Abuse Act of 1986.

The Anti-Drug Abuse Act requires that the Bureau of Justice Assistance develop programs designed to address drug control problems of state and local governments. The Formula Grant Program has been implemented based on each state's drug strategy developed in concert with their local criminal justice systems and then submitted to the Bureau of Justice Assistance for approval. In addition, a wide range of anti-drug demonstration projects has been developed and implemented through the Discretionary Grant Program. This Report describes the many drug-related problems being encountered by state and local criminal justice entities and the solutions being employed as a result of cooperative efforts by federal, state, and local governments.

I trust you will find the Report both useful and informative.

Respectfully,

A handwritten signature in dark ink, appearing to be "Ed", is written above the typed name.
